

Dear Parents,

As this school year concludes, we look back with great satisfaction at what we have accomplished.

Arlene Keller, our interim school director, did a wonderful job as she gave up the start of her retirement to join our school for this past year. We want to thank Arlene for all that she did for us this year.

As you may know, our search committee engaged in an international search and after considering many candidates, our congregation selected Abi Taylor-Abt as our new Educator. Abi grew up in London, but is coming this summer with her family from Israel. We are all so excited to welcome Abi to our community.

So with this great news, we are now sending you the registration materials for this upcoming year. We want to encourage you to sign up again to our school program as early as you can to facilitate our planning for this upcoming year.

The Temple office and I can answer any questions that you might have and we will gladly receive any comments about our school that will help our new educator succeed. Abi will be reaching out “virtually” to all of you in the next few weeks.

We hope that you and all your family have a wonderful summer, and we look forward to seeing you and your children over the summer and in our school again this coming fall.

Shalom,

Rabbi Arturo Kalfus
